# Testimonials

In travel and hospitality business it is all about competent customer handling with delivering the promised services well in time. Here, good reputation is guaranteed with what a client says and it is all about good word of mouth. Read below for a few noteworthy credentials -

*‘The itinerary was extremely well planned. We covered a lot of ground and loved every stop. It was a great balance of temples, Forts, and palaces and living adventures like Camel rides and Tiger Safaris. There wasn’t a lot of down time, but there wasn’t a single experience we would have wanted to miss. Arriving at each hotel was a marvelous adventure. The warm greetings, cool drinks, garlands of flowers and sometimes music made us feel like Maharaja’s ourselves. Each hotel had something special. The Royal Rajasthan Tour was the trip of a lifetime! The hotels were amazing, the sights were fascinating and our guide Bhuvan made every day an adventure. We could not imagine a richer, more rewarding experience. Bestway is truly the Bestway to see India.’*

**L. LEIFER, KS, U.S.A. — TOUR PARTICIPANT ‘ROYAL RAJASTHAN’**

*A trip of a lifetime for me and my son. Will cherish the memories always. Thank you Bestway for making our trip most enjoyable and hassle free. Would definitely recommend to others and will utilize again for any future excursions.*

**JENNIFER VILLAREAL — TOUR PARTICIPANT ‘GOLDEN TRIANGLE WITH RANTHAMBORE’**

*We felt that the tour itinerary provided us with a varied overview of the culture, history and society of northern India. We were very satisfied with the hotels booked on this tour. We felt that each hotel had its own ambience and reflected the area in which it was located. Everything was conducted smoothly. We have nothing but the highest praise for both our tour escort, Rajesh Ranjan and our driver. Raj made our tour through his consideration, kindness, knowledge, and willingness to accommodate special requests. We particularly appreciated the times when he shared with us places he thought would be of particular interest even though they were not included in the itinerary. Thanking Raj of course we must thank our driver and his helper for safely navigating us through so many kilometers of Indian traffic. A job very well done. We have been very satisfied with our experience of Bestway Tours and would certainly use them again and if they were conducting tours in areas of interest to us.*
